Senator Chamberlain Coming—

Democracy will fire its first gun of big caliber in the local campaign Wednesday evening, when Senator Geo. Chamberlain will address the public at the opera house. The meeting will be called at 8:15. Mr. Chamberlain in his address is expected to deal largely with national issues, and his remarks upon the question of national preparedness will be of special interest because of the position he bears in relation to military matters in congress, he being chairman of the committee on military affairs.

COMMERCIAL CLUB MEETING TONIGHT

The Commercial club will hold its weekly luncheon at 6:30 tonight, instead of at noon as usual. The change for the week was made because of this being the time for the regular monthly meeting of the club, and the business session will follow the luncheon. A number of subjects of vital interest to the community are to be considered at the session tonight, including the preliminary arrangements for the proper observance of the occasion of the making of the first sugar at the new factory. A communication from the people of Crescent City will also come before the meeting, the coast people seeking co-operation with Josephine county in the construction of a highway up Smith river and over the divide to the head of Elk creek.

FEARS FOR SAFETY OF STEAMER GREAT CITY

Boston, Oct. 9.—Grave fears are felt here today for the steamer Great City, which sailed from Boston late yesterday, before the agents of her line learned of the submarine activities off Nantucket shoals.

The Great City is bound for St. Nazaire, France, with a big cargo for the French government. She is carrying about 7,000 tons of steel, 500 horses and several hundred tons of feed and grain.

THREE MORE VILLAGES OCCUPIED BY BRITISH

London, Oct. 9.—Pressing their advance on the allied right wing in Macedonia, the British have occupied the villages of Cavdarmah, Ormanli and Haznatar. It was officially announced today.

British cavalry has joined in the pursuit of the Bulgarians and has reached the line of Kararaska-Salman-Homondos.

VESSELS ALONG ATLANTIC SEABOARD ARE SCARED

New York, Oct. 9.—The whole Atlantic seaboard was stirred today as a result of German submarine raids off New England. Many ships due in today have put into other ports along the coast, lest they meet the fate dealt out by the German U boats.

TOMORROW'S TROUBLE.

Do not let the shadow of tomorrow's trouble or disagreeable duty fall over the brightness that belongs to today. Do not double the shadow by forecast, and especially do not throw it over others.

Job printing of every description at the Courier office.
